

Restoration Begins

The Lord began to reveal to me a timeline of restoration that is coming our way. As I sought the Lord about this, He showed me several areas in His word concerning restoration.

Restoration of Health & Healing of ALL Wounds

Jeremiah 30:17 says, *For I will restore health to you and heal you of your wounds, says the Lord.*

The same Jesus who healed thousands in the Bible still has the power to restore health to you and I today!

Not only that, He promises to heal you of your wounds. The word *wounds* is defined as blows, beatings, plagues and defeats. Each time in your life that you look back and see defeat...will be restored. Each time in life you felt you took a beating, God desires to restore that time, that season.

Restorer of Life

God is a restorer of life! We see this promise in Ruth 4:15.

And he shall be unto thee a restorer of thy life, and a nourisher of thine old age.

I love this verse. God is a restorer of life to His people. He not only restores us to life but also promises to nourish us in our old age. The older I get, the more I love that promise!

Restorer of Joy

Another thing God promises to restore is our joy. God is praised in the psalms as the restorer of joy. Psalm 51:12 says, *restore to me the joy of Your salvation, and uphold me by Your generous Spirit.*

David knew God as a restorer of joy.

I am reminded of a dream I had a few years ago. The dream was simple. Jesus had touched me. When He did, I was filled with joy. I could feel it with every part of my being. I woke myself up laughing.

That morning, just two hours later, I found out my sister had passed away. That evening I reflected back on that dream. I pondered the timing of it. I felt strongly, though I was sad that moment, God would restore my joy. It was an unspoken promise that I held on to through that challenging time.

God, our God, is a restorer of joy. If you have gone through a challenging season, it's your time. If you have gone through a time devoid of joy. Take heart. He will restore joy to you.

He promises to give us, *beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness.* (Isaiah 61:3)

Restorer of Years

Do you feel you have wasted years? Years the enemy has stolen? If so, Joel 2:25 is for you.

So, I will restore to you the years that the swarming locust has eaten, the crawling locust, the consuming locust, and the chewing locust.

Many of us feel there are years the enemy has stolen. Perhaps through health issues. Through seasons of lack. Or through an abusive marriage. God promises to restore every year the enemy has stolen. That, my friend, is Good News!

Restorer of Souls

Finally, He is a God who restores our souls.

The 23 Psalm says;

The Lord is my shepherd; I shall not want. He makes me to lie down in green pastures; He leads me beside the still waters. He restores my soul; He leads me in the paths of righteousness For His name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil; For You are with me; Your rod and Your staff, they comfort me You prepare a table before me in the presence of my

enemies; You anoint my head with oil; My cup runs over. Surely goodness and mercy shall follow me all the days of my life; And I will dwell in the house of the Lord Forever.

A restorer of souls, our innermost being. Our emotions, our hearts...restored.

Restoration. Recompense. Compensation. It is time. It is God's time for us to see restoration!

As I completed my study about restoration, I came across one final scripture.

He Makes All Things New

This scripture was referenced for restoration. It is Revelation 21:5 and it says; *He who was seated on the throne said, I am making everything new! Then He said, write this down, for these words are trustworthy and true.*

It's time for restoration my friends. Begin to declare it over your life today!

May 27th Dream

This morning, early, I had a dream. I was at a funeral. It seemed to be my grandmother on my Dad's side – (she actually passed away years ago)

I had two houses. The one I live in now and the old white one I lived in when God blessed me so much that time.

The old white house is very old, but I had redone it completely and it was beautiful inside. My mom was staying there. It was really nice but didn't have heat for some reason.

I had family coming in from out of town and was trying to figure out where they could stay without having to pay for a hotel. I was going to let them stay at the old house because it had plenty of rooms, but I didn't because of the heat.

Then I said, 'oh I have this other house, they can stay there' and that was the plan.

Then I was summoned to a large room, with several other people. I sat at one end of a table, Randy Ramhoff was at the other end. There were people in each seat.

Dozens of tables.

Some lady was to my right... another lady was to my left. She (lady on left) was in charge of what she was handing out.

She began to hand everyone envelopes filled with cash. She handed Randy two envelopes filled with cash....he counted them and smiled...then he handed one to me and said 'I gave my word.'

Important Key – if you have made a vow – keep it. When the money comes in keep that vow... God will restore it back to you double!

Kelita's friends story....

When he did that she handed him two more... he said, 'I wasn't expecting that!' I said, 'God always has your back.'

ISAIAH 61:7 – Two-Fold Recompense

Instead of your shame you will receive a double portion, and instead of disgrace you will rejoice in your inheritance. And so you will inherit a double portion in your land, and everlasting joy will be yours.

She handed me three envelopes, two were filled with cash, one was filled with checks from people. The checks couldn't be cashed yet – funds weren't yet available. The dates were in the near future. These checks were from someone whom I knew had wronged a friend of mine almost 15 years ago.

Those who have wronged you will pay –

Proverbs 6:31 -But when he is found, he must repay sevenfold; He must give all the substance of his house.

Romans 12:19; Do not take revenge, my dear friends, but leave room for God's wrath, for it is written: "It is mine to avenge; I will repay," says the Lord.

Set a table in the presence of your enemies

I counted the monies and I said to the woman on the right 'is this really happening? Is this a dream? Will you pinch me? No, let me pinch you.' And I did. It was real.

IT IS GOING TO BE SO AWESOME YOU WILL THINK IT IS A DREAM....UNREAL RESTORATION

It is going to be so quick and so wonderful, you will have to pinch yourself.

After she handed out all the cash envelopes, she handed us a box of checks like you get when you open a checking account.

You are going to be able to write your own checks!

Then the manager of the funeral home opened the door and said, **IT'S TIME....**

I tried to put all the stuff in my purse –it wouldn't all fit – I had to carry some of it and I walked out. With both arms full and my purse full.

It's time! You will have to grab your stuff and go....

Exodus 12:11 - Now you shall eat it in this manner: with your loins girded, your sandals on your feet, and your staff in your hand; and you shall eat it in haste-- it is the LORD'S Passover.

The Lord showed me the old house was in the dream because that is how far back the restoration is going to go....PRAISE THE LORD

The checks were from Gwen Baker, Corinne from the car thing with Kim Krawizcki

It's not a dream – it is really happening!

Daddy was in it and he died in 2004 **TIMELINE**

It's not only about finances...but everything...children, health, broken hearts, businesses, ministries, time, everything

Deuteronomy 30:1-14

God, your God, will restore everything you lost; he'll have compassion on you; he'll come back and pick up the pieces from all the places where you were scattered. No matter how far away you end up, God, your God, will get you out of there and bring you back to the land your ancestors once possessed. It will be yours again. He will give you a good life and make you more numerous than your ancestors. God, your God, will cut away the thick calluses on your heart and your children's hearts, freeing you to love God, your God, with your whole heart and soul and live, really live. God, your God, will put all these curses on your enemies who hated you and were out to get you. And you will make a new start, listening obediently to God, keeping all his commandments that I'm commanding you today. God, your God, will outdo himself in making things go well for you: you'll have babies, get calves, grow crops, and enjoy an all-around good life. Yes, God will start enjoying you again, making things go well for you just as he enjoyed doing it for your ancestors. But only if you listen obediently to God, your God, and keep the commandments and regulations written in this Book of Revelation. Nothing halfhearted here; you must return to God, your God, totally, heart and soul, holding nothing back. This commandment that I'm commanding you today isn't too much for you, it's not out of your reach. It's not on a high mountain - you

don't have to get mountaineers to climb the peak and bring it down to your level and explain it before you can live it. And it's not across the ocean - you don't have to send sailors out to get it, bring it back, and then explain it before you can live it. No. The word is right here and now - as near as the tongue in your mouth, as near as the heart in your chest. Just do it!

Restoration Confirmations

A Season of Bursting Forth and Crossing over

Can't you just feel it? There is an anticipation of something great breaking forth is in the air. I am reminded of this, as I look out and see all the lovely floatings of the cottonwood tree that affect me greatly in this allergy season.

At Pentecost, the Holy Spirit bursted out, causing tongues of fire to fall on the mass of people there. We now are in a similar place of anticipation of revival. The next wave of the move of the Spirit and the greatest harvest of souls is at hand.

Our Promises are at Hand

Recently, I was in a vision where I heard the Lord speak clearly. Before me I saw a vision of the place where Moses and the Israelites crossed the Red Sea, escaping their enslavement to the Egyptians. Then subsequently, I was taken into another vision, a vision of the waters of the Jordan and the crossing place of Joshua and the Israelites with the ark of the covenant.

I then heard the words, "A season of crossing over."

Many of us have been contending for a dream of God for so long, it seems almost ridiculous to now claim: "This is my season. This is my time where I cross over into that Promised Land that the Lord has shown me."

3 Encouragements to the Weary Soul

1. Use your testimonies of past victories

Psalm 78:11 says, "They forgot His works and the wonders that He had shown them." After years in the desert, the Israelites forgot what amazing things God had done for them. Did it become so much the norm, that they just grew numb to His miraculous power?

I believe there is a key here for us in this season. In this season, while the enemy might be roaring and trying to take you down with discouragement, and you find yourself on the brink of something great and life-changing, look towards the past, Beloved. Look toward the past and look at what God HAS DONE already. Use your testimony of the past victories with the Lord to steady and encourage you as you move towards claiming unfulfilled promises. Pray to Him:

"God you have done great things in my life, and you are going to do it again! Thank you Jesus that you have a great promise over my life!"

I declare now:

"The land into which I am entering to possess is not like the land from which I came. The land into which I am about to cross to possess is a land of hills and valleys which drinks water from the rain of Heaven—a land for which the Lord my God cares; the eyes of the Lord my God are always on it." (see Deuteronomy 11:10-12).

2. Prepare for the Promise

In Scripture we see Joshua encourage the Israelites just before they were to cross the Jordan into their Promised Land. He told them, "Consecrate yourselves, for tomorrow the Lord will do wonders among you" (Joshua 3:5).

Consecrate yourself, as the promise is at hand. Consecration is the prophetic act of setting yourself apart to receive something miraculous the Lord is getting ready to do. Are you ready? Spiritually, have you done your part for the breakthrough? Fast, pray, tithe, worship, meditate on Scripture, etc. Then prepare. If your promise came TODAY, how would that change your life? If you have been contending and praying for a baby, go prepare that baby's room 'cause it is coming! Ask yourself now, "Am I prepared if my life were to change in this way today?" Consecrate, and prepare. Do your part and prepare for the promise as if it is coming tomorrow. This activates your faith to partner with Heaven.

3. Trust that God is moving

Rest assured and trust that God is moving things in the spirit whether you can see His movement or not. Ahead of time, God has prepared a way, just as He prepared a place for Joshua's people to spy out the Promised Land through Rahab—a person who most would call "unfit" to host and birth a move of God. He is preparing your promise, Beloved. You may not see it, but His hand is there and it's moving. The Lord is setting things up for a great move. Your crossing OVER into the promise is AT HAND!

CHUCK PIERCE

Chuck Pierce – about an hour after the call this was posted on his page - ***We are in a season of restoration. The Spirit of God is saying, "I will restore what has been lost in other seasons. Watch this week for a surprise breaking of a captivity that will set you on a journey to restore your lost fortunes."***

**WE ARE IN A SEASON OF UNPRECEDENTED “UNLOCKING”. BE SPECIFIC IN YOUR PRAYERS!
THERE IS SO MUCH MORE!**

Lana Vawser

“Don’t be pulled in different directions or worried about a thing. Be saturated in prayer throughout each day, offering your faith-filled requests before God with overflowing gratitude. Tell him every detail of your life.” - Philippians 4:6 (The Passion Translation)

For the last few months the Lord has been speaking to me a lot about this season of “unlocking” that is upon the body of Christ. The Lord is unlocking so many things in this season and there is especially a great unlocking of restoration and recompense upon God’s people for all the enemy has stolen, attempted to delay, kill or destroy. This is a season where the Lord is saying “There is SO MUCH MORE available to you, will you step in?”

In this great awakening that is taking place by the Spirit of God upon the Church, the Lord is waking His people up to who they are in Christ, His nature and their inheritance in Christ in deeper ways than ever before.

**MANY HAVE LAID DOWN THEIR EXPECTATION AND BOLD FAITH BECAUSE OF WEARINESS,
BATTLE AND DISAPPOINTMENT**

The Lord showed me that many have been so used to the battle and weariness that it has majorly hindered their prayer life. It has hindered their level of expectation and faith of what the Lord can and will do. Because of the level of hardship and battle many have faced, the Lord showed me that many have become too scared or weary in asking. Many have been stuck in the place of “not understanding” the things that have taken place in the past or are taking place, but I felt the compassion and love of God, that He wants to minister to their hearts and set them free from the place of hope deferred and move them into a place of bold faith and revelation of His goodness and kindness, even in the place of mystery and not understanding. The Lord showed me that the “why’s” (why did that happen? why didn’t that happen?) have held SO MANY captive, but the Lord is bringing significant healing, breakthrough and freedom.

The Lord showed me a shift that is taking place, it’s a shift in the spirit, a momentum of breakthrough, but it is also an re-igniting of prayer and faith. There is a re-igniting taking place by the Spirit of God in this season to go back to the place of deep conviction of “taking the Lord at His Word” and seeing sudden manifestations.

The Lord showed me that He is restoring hope, He is restoring faith, He is increasing faith in the demonstration of the power of the Word of God. For where many have felt like they have been ‘asking and asking’ and it has felt like a ‘drought’ without breakthrough, the Lord is inviting His people to come and rest in the living, flowing, waters of His Spirit, the rivers of His Spirit, to be washed in the Word again, and BE SPECIFIC.

The enemy has worked hard against many believers to weary them so deeply, to bring such discouragement, such intense battle, such distraction to God's people, that the places of prayer have become hindered. The places of prayer have become a place of finding it harder to push through because of the weariness of the battle.

I felt the Lord have me write this word and decree over you today : "THIS CHANGES TODAY!"

The Lord is decreeing a shift over you. The Lord is decreeing a refreshing over you. The Lord is decreeing that there is a season shift taking place over your prayer life TODAY where you shall feel the fire of conviction of the power of the Word of God rising again, and you shall move deeper into a place of seeing great breakthrough and manifestation of His promises in your life.

The enemy has been working hard against many of God's people, whispering his lies "get used to delay", "there's no point being specific in your prayers because you won't get breakthrough, you will be disappointed again" - these are LIES and the reason the enemy has come hard against you in these areas is because you are in your season of GREAT UNLOCKING. You are in your season where God wants to demonstrate His power to unlock, release and bring great recompense to you. Where the Lord wants to release divine wisdom to you in being led by His Spirit in being specific in your prayers to see SUDDEN BREAKTHROUGH'S.

I believe that the Lord is training, preparing and maturing the body of Christ right now to bring us to the place where we see what He is saying, what Jesus is praying, what is on His heart with such clarity and accuracy that we pray from that place of deep insight and specificity in our prayers, that we access a place in the Spirit with Jesus where it is decreed, and then it SUDDENLY manifests. It is a deeper place of conviction of "taking the Lord at His Word" and what He is saying and breathing upon and echoing it.

There is a battle right now over your prayer life, to keep you from the place of specificity. So I encourage you, go into your prayer closet, your secret place with the Lord, and listen again to what is on His heart and BE SPECIFIC in your prayers. Don't allow the battle, the weariness, discouragement or past experience to keep you in a place of 'general prayers' because of hope deferred, distraction, weariness or despair.

KNOW that there is a season upon you right now of great unlocking. Jesus wants to bring about greater breakthrough, momentum, freedom, birthing and increase into your life, and He is inviting you to come, approach Him boldly, and be specific in your prayers, knowing that He is SO good and His plans for you are greater than you have imagined. (Jeremiah 29:11)

Don't believe the lie that the season hasn't changed. Don't believe the lie that you have to get used to delay, or get used to the place of deep weariness. The opposite is true!

I heard the Lord decreeing over you:

You are moving into a greater place of radical bold faith.

You are moving into a greater place of hearing the whispers of His heart with greater clarity and accuracy, seeing the divine strategy of the Lord to be even more specific in your prayers to see significant breakthrough.

You are moving into a land that is fruitful, it is restful in His presence, it's the deeper place of Psalm 23, and feasting at His banqueting table in the presence of your enemies.

You are moving into the place where the fire of God is FALLING on your prayer life. There is a great revival, outpouring, awakening, and increase over your prayer life. I heard the Lord decreeing that the hunger for prayer is increasing significantly. I saw many of you moving into a season of HOURS and HOURS more than you have ever spent in prayer and time with Jesus. Your prayer life is about to come alive in a way you have NEVER experienced.

Your heart is being increased to believe again, to dream again, to take the Lord at His Word and to see POWERFUL demonstrations of signs, wonders and miracles as you prayer. I heard the Lord say "The day of seeing a MOMENTUM of transformational suddenlies in your prayer life is upon you."

The landscape has changed! No longer barren, but fruitful! Your eyes are being opened by the Spirit of God in greater ways to the revelation of what happens and takes place in the Spirit when you pray.

Your eyes are being opened by the Spirit of God to SEE in the Spirit the angelic hosts and activity that takes place when you pray specifically and boldly what the Lord is speaking and releasing which will take your faith to a whole other level.

IN YOUR DREAMS YOU WILL SEE SO MUCH MORE

The Lord showed me that He is beginning to show His people in greater ways in dreams in the night the power of prayer and what happens when you pray and pray according to His Word and what is on His heart - SPECIFICS! The Lord showed me that it has begun but it will continue to rapidly increase, the revelation of how much more is available to His people in Christ. There is a divine invitation to ACCESS MORE. There is SO MUCH MORE available and the Lord is awakening His people in deeper ways to the power of prayer and taking His people deeper into the revelation of Isaiah 55:11:

"So will My word be which goes forth from My mouth; It will not return to Me empty, Without accomplishing what I desire, And without succeeding in the matter for which I sent it."

There is a great unlocking upon you! There is a great invitation upon you from the Lord. Be specific in your prayers. Your prayer life is about to radically change.

Kim Clement Prophecy

May 18, 2013 (He prophesied this 5 years to the day it happened.)

I got a very, very clear vision about the year 2018 yesterday, which was the 18th, when I was in my garden. The Lord said to me that on the 18th day of May, 2018, Israel was going to experience something of a great freedom and peace for a while and that we are to be there in May on the 18th. I didn't realize then at the time while I was praying that was actually the 70th anniversary, I may have known it but I didn't think about it when the Lord spoke to me yesterday. It was clear that He said we must do a massive gathering in 2018. We'll do something before that, but He said to me, "I want you to fast like you never have before," and He gave me some instructions for five years, until the year 2018, on the 18th day of May. Then He said something, He said China will even fight for Israel, fight for them. I don't know if this is a war or what it is, but He said they must be very careful. I'm saying that all now because I think that's in the future, quite a bit in the future, some of the stuff I got in China but only got clarity on it now when I reached the garden. I just wanted to tell you about it.

Sept. 6, 2014

And in 2018, at the celebration of Israel's birthday, there shall be an outpouring of My Spirit in Israel like it has not had since the days of David and the days of Jesus. You listen to me, everybody. But I have prepared My Holy Spirit, who is part of our Godhead, our Trinity, to bring upon the earth, and especially America, Canada, France, the Netherlands, Germany, and many others, a move of the Holy Spirit that will creep over into the streets of the Middle East and there shall be Damascus Road conversions take place in the highest places in terrorist organizations and they shall come out and they shall reveal the truth and the evil of Islam. And there shall be a shaking in the kingdom and the way that I shook in 1900 at the turn of the century, in 1948, in the 60's and the 70's - I will accumulate them all in one and I shall pour out of My Spirit with a global renewal, says the Lord.

Feb 22, 2014

I have now kindled a fire in Zion. I have kindled a fire in Zion, in America, in nations throughout the earth, and My fist is about to smack down on Russia, for out of the rebellion of the Ukraine, which was seen by My prophet, shall come out of those ashes, beauty, shall come out of that sadness, joy, shall come out of those garments, praise, says the Lord. I have searched for a man and a woman who would stand in the Oval Office and pray and call for the restoration of the fortunes of Zion. I have looked for a man who would pray for the restoration of the fortunes of Zion. Therefore, if you hear My heart, says the Lord today, I will take you on a journey. I will first take you to Israel, whom they would give Jerusalem to his enemies. Why would they give half of Jerusalem away? This will not happen, says the Lord, for I will take you on a journey today into Jerusalem, where it shall be prophesied through song by My prophet what I intend doing in Jerusalem and in the United States of America at the same time, says the Lord. I am restoring the fortunes of Zion. I am restoring the fortunes that were the inheritance of My people. I am restoring the fortunes of those that are the elect of God and have been stolen from. You shall

eat your delicacies again and your children will no longer be your food. You shall not use them and take them out of the womb anymore, says the Lord.

Donne' stops here, but here is the full transcript of the prophetic from Kim on that day! Watch how I change everything, for there shall be those who are in justice. There are those who are in a strong position, I'm just hearing this now, in the highest court in the land, the Supreme Court. Two shall step down for the embarrassment of what shall take place for I wish to place in the highest court in the land, righteousness. And they shall attempt to put others in to endeavor, to reach their endeavors, but God says, hear Me tonight. Hear Me today, I have this whole thing planned out according to My will for it is now time for Me to restore the fortunes of Zion, the fortunes to those that had it once, you are going to get it back. This is My promise, says the Lord of Hosts.

This man has stood in Jerusalem. This man that I saw in the vision, a man that came out of a vision, please hear me. I was standing in my garden. Suddenly the Spirit came and removed from my eyes, scales. I was praying for America and I was praying for Israel, nothing unusual. Suddenly behind me, starting behind my back, going in the form of an arrow, were hundreds of thousands of people. And I turned around and I was stunned at what I saw. This was not just a mere dream, but this was a vision. And so I raised my hand like this and every one of them raised their hands. I looked back and they were doing the same thing. I shouted and they all shouted. They were one; they were one; one party, one party of people. It continued until I realized that in the unity of these, amongst them stood one that God had set aside to be the leader of this nation. I said why am I hearing this so soon? Surely You would show me a little bit of it closer to the time. And the Spirit of God said to me, this man has a humble stature but he is a genius.

And then I heard "gold." I wasn't sure if this was attached to his name, but He said to me, he will restore the fortunes in this nation because of his brilliance. I couldn't quite see his face because that was not allowed because there was a mist that covered all the people and he was amongst them. And the Spirit of God made me look at him, and He said, this man will throttle the enemies of Israel. This man will throttle the enemies of the West, and there are highly embarrassing moments that are about to occur for many, many politicians in this nation. There will be a shaking amongst the Democrats in the upcoming elections, but unsettling for the Republicans. Why is God doing this? For God said, I am dissatisfied with what emerges from both parties. And then there is a nation, He showed me, He took me, itching for a new kind of war with America. They will shout, "Impeach, impeach," they say, but nay. This nation shall come very subtly but he shall not come in the time of President Obama. They shall come when this new one arises, My David that I have set aside for this nation, a man of prayer, a man of choice words, not a man who is verbose, who has verbosity, who speaks too much. They will even say, "This man is not speaking enough," but God says, I have set him aside. They will shout, "Impeach, impeach," but this shall not happen, and then, God says, highly embarrassing moments when another Snowden arises and people will become very afraid. They'll say "we have no protection" and then God says, am I impressed with your weapons of war? Am I impressed with the strength of your men's legs? Ha! I have said I will bring this nation to its knees, and God said, you have been humbled, and yet some more, and then you shall hear the

sounds of great victory. For where are the people gathered? Where are My people gathered?
Where is the sound of unity from My people?

Fierce Recompense of the Lord is Coming!"

Last year in August, the Lord gave me a prophetic word about the *fierce repayment* of the Lord for the ferocious battle that many had been facing, which He has begun releasing. This week, I had a dream where the Lord reminded me of this word. Over and over again throughout the dream, I heard the Lord saying, "**FIERCE RECOMPENSE.**" **It was a strong declaration of the justice of God coming to the saints in greater increase.**

Recompense

"Recompense" is defined as: "To make amends, compensation or reward given for loss or harm suffered or effort made." Its synonyms are: compensate, indemnify, repay, reimburse, pay money to, make reparation to, make restitution to.

"Say to those who have an anxious heart, 'Be strong; fear not! Behold, your God will come with vengeance, with the recompense of God. He will come and save you.'" (**Isaiah 35:4** ESV)

The Lord has been building a strong conviction in me as I have sat on this dream for a number of days. This is a prophetic declaration to encourage the saints of God. The Lord has *already been* restoring and He has *already been* repaying in this season, but take heart! **You are about to see the RECOMPENSE of the Lord get FIERCE.**

The justice of God is about to be displayed in a FIERCE way in your life. What the enemy has stolen, what he has broken, what he has touched and what he has messed with, is about to be met with the fierce justice and recompense of God. The recompense of God is going to come in such a stunningly supernatural, miraculous way, that it is going to be a *clear* and loud *testimony* of the power of God.

By the divine repayment of His hand, you are about to see the INCREASE of God upon the areas the enemy has come against you over and over. In this season of radical increase, I have been prophesying that the areas where the enemy has killed, stolen and destroyed, you will come out with *more than before!* It may not "look" the same, but the Lord is bringing recompense and increase.

Recompense from Unexpected Places Breaking Forth Rivers of Joy

For many, the recompense of God is flowing and will continue to flow from UNEXPECTED places. These unexpected breakthroughs, releasing the recompense of God, are going to break forth RIVERS OF JOY to you that are going to refresh and strengthen you.

The fierce repayment of God is going to be such a glorious demonstration of power beyond displaying His nature, His goodness and His love. The power of God is bringing recompense and repayment into your life, which is going to FAR OUTWEIGH how the enemy has come against you.

The Roar of God is Releasing His Resurrection Power and Recompense

The Lion of Judah is truly roaring. In my times with the Lord this week, I keep coming across verses on the "vengeance" of God. God is about to demonstrate Himself as your warrior, as the avenger, as the God of justice and retribution in greater ways. The Lion of Judah is roaring His victory over you and the enemy is being reminded again of his defeat.

"Beloved, don't be obsessed with taking revenge, but leave that to God's righteous justice. For the Scriptures say: 'If you do not take justice in your own hands, I will release justice for you,' says the Lord." (**Romans 12:19** The Passion Translation)

"God has a constantly flowing river whose sparkling streams bring joy and delight to His people. His river flows right through the city of God Most High, into His holy dwelling places. God is in the midst of His city, secure and never shaken. At daybreak His help will be seen with the appearing of the dawn. When the nations are in uproar with their tottering kingdoms, God simply raises His voice and the earth begins to disintegrate before Him. Here He comes! The Commander! The mighty Lord of Angel Armies is on our side. The God of Jacob fights for us! Everyone look! Come and see the breathtaking wonders of our God. For He brings both ruin and revival. He's the one who makes conflicts end throughout the earth, breaking and burning every weapon of war. Surrender your anxiety! Be silent and stop your striving and you will see that I am God. I am the God above all the nations, and I will be exalted throughout the whole earth. Here He stands! The Commander! The mighty Lord of Angel Armies is on our side! The God of Jacob fights for us!" (**Psalm 46:4-11**The Passion Translation)

"Be glad, O children of Zion, and rejoice in the LORD your God, for He has given the early rain for your vindication; He has poured down for you abundant rain, the early and the latter rain, as before." (**Joel 2:23** ESV)
